

HAMPSHIRE LIBRARY SERVICE

Home Library Service

Do you know someone who loves reading but can't get to the library because of ill-health, disability or caring responsibilities?

Do they need help to get their library books?

We may be able to help by arranging for a volunteer to deliver a range of library items to their home.

Please ask for further details from your local library staff or you can ring 0300 555 1387

You can also e-mail us at library@hants.gov.uk

or fill in an on-line application form at

www.hants.gov.uk/library
